## What We Do

**New Life Furniture Bank** is Southwest Ohio's ONLY furniture bank collecting gently used furniture and household items to provide to those in need throughout Greater Cincinnati and Northern Kentucky. We deliver and set-up an **entire household of furnishings** to families overcoming homelessness, domestic abuse, extreme poverty, and other devastating circumstances. We partner with over 40 social service agencies to make sure that every child has a warm, safe bed to sleep on, a table to eat at, a sofa to gather, and place to proudly call home.

## Community Impact

We believe in the healing power of giving and receiving to empower communities to come together and support our most vulnerable populations. In 2020, we delivered **15,812 pieces of furniture**, including **1,318 beds** to **1,071 households** consisting of **1,930 individuals** – nearly half were **children**. Having a furnished home restores dignity, brings pride of ownership, adds confidence, and allows people to stabilize while working toward self-sufficiency. For those who have lost everything or have nothing, we turn empty houses into homes.

As the full economic impact of the pandemic hits our most vulnerable neighbors, we know the need in our community will be greater than ever. **Our goal is to furnish 1500 homes in 2021!**

## Can We Count on You to Help?

As a sponsor of our **1st Golf Classic**, you can help New Life Furniture Bank raise critical awareness in our community to **increase furniture donations** and **financial support** to reach our goal. With your generous sponsorship, we can share our mission with an audience of 160+ new potential furniture donors (golfers) and raise funds at a safe, fun event this summer!

**RAFFLE!**
